COMPLAINT

Civil Action No.

1:22-cv-9741

Plaintiff, PRENTICE COX, (“Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues PLAYERS CAFE NY LLC, a domestic limited liability company, and 241 BLEECKER LLC, a domestic limited liability company, both registered in the State of New York, (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

JURISDICTION AND PARTIES

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1343.

2. Venue is proper in this Court, pursuant to 28 U.S.C. §1391(B) in that all events giving rise to this lawsuit occurred in the State of New York.

3. The violative Premises and the events giving rise to this lawsuit are located at 241 Bleecker Street, New York, New York 10014. (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants PLAYERS CAFÉ NY LLC and 241 BLEECKER LLC are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, PLAYERS CAFÉ NY LLC is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants’ Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, 241 BLEECKER LLC is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff’s visits to the Premises, and prior to the instant action, Plaintiff was, and still is a resident of Brooklyn and State of New York. Plaintiff is a paraplegic,

which constitutes a “qualified disability” under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On September 29, 2022, Plaintiff, a young man and avid lotto player, last attempted to enter Defendants’ Premises to check out the new age convenience store, which focuses on lottery options and offers coffee. However, because of the architectural barriers at the premises, including but not limited to a step at the entrance and inaccessible check-out counters, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants’ Premises, which is subject to this instant litigation. Plaintiff was forced to wait outside, without any other option to gain access. It was embarrassing.

13. Plaintiff lives in Brooklyn and is in the west village on Bleeker street (location of Defendants Premises), a major throughfare, with his friends and family hanging out and getting coffee. Plaintiff further goes by the store routinely to check out the trendy locations, hanging out with friends, eating at restaurants, and visiting the various shops/stores in the community. Plaintiff has attempted to enter Defendants’ Premises on multiple occasions in the past to try the lotto experience and get coffee, but continues to be denied access each time, and therefore suffered an injury in fact. Plaintiff is currently deterred from going to the store based on his knowledge of the barriers to access that exists and intends on immediately returning to the Premises to purchase lottery tickets and an assortment of snacks and beverages once the barriers are removed and the Premises is ADA compliant.

14. Defendants’ violations impede upon Plaintiff’s, and other similarly situated disabled individuals’ right to travel free of discrimination.

COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

15. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

16. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the “2010 Standards” or “Accessibility Standards”) dictate that property owners and operators of commercial premises being used as “commercial establishments” are responsible for complying with these Federal Accessibility Standards.

17. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs, and/or alterations since January 26, 1990.

18. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants’ Premises, in violation of these Accessibility Standards.

19. The Plaintiff has been unable to and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants’ Premises.

20. Plaintiff visited Defendants’ Premises with the intention of utilizing Defendants’ facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and continues to desire to visit the Premises

in the future, but will suffer future harm in that he is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

21. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter “2010 ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

22. The Defendants’ Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. At Players Café, due to an approximate 5–6-inch step up at the accessible entrance, the Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrance in violation of section 206.2.1 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the Property.
- b. The total vertical rise of the accessible route leading from the public sidewalk is greater than $\frac{1}{2}$ (one-half) inch due to due to an approximate 5–6-inch step up at the accessible entrance to Players Cafe, and thus, the accessible route is not ramped in compliance with section 405 or 406, this is a violation of section 303.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access this unit of the Property because

the vertical rise in the form of stairs would make it almost impossible for Plaintiff to safely access the interior of the public accommodation.

- c. At Players Café, due to an approximate 5–6-inch step up at the accessible entrance, the accessible route leading into this public accommodation contains at least one vertical rise in excess of $\frac{1}{4}$ inch in violation of section 303.2 of the 2010 ADAAG Standards. This barrier to access would make it difficult and dangerous for Plaintiff to attempt to utilize the accessible route as it increases the likelihood of the wheelchair tipping.
- d. At Players Café, due to an approximate 5–6-inch step up at the accessible entrance, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property since it is often necessary for individuals in wheelchairs to need to use their hands to both wheels through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this ordinarily difficult process is made even more difficult by the presence of an excessive vertical rise.
- e. There is not at least one accessible entrance to each tenant space in the building that complies with section 404 of the 2010 ADAAG standards which is a violation of section 206.4.5 of the 2010 ADAAG Standards.
- f. As not all entrances comply with section 404 of the 2010 ADAAG Standards, entrances that do comply with section 404 of the 2010 ADAAG Standards are required to have signage identified by the International Symbol of Accessibility

indicating an accessible entrance, however, no such signage exists on the Property in violation of section 216.6 of the 2010 ADAAG Standards. Moreover, there is a lack of directional signage indicating the location of the nearest accessible entrance. This barrier to access would make it difficult for Plaintiff to locate an accessible entrance on the Property.

- g. Restrooms have a vanity sink with inadequate knee and toe clearance in violation of section 306 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom sink as Plaintiff is seated in a wheelchair and, when seated, Plaintiff's feet and legs protrude out in front. In order to properly utilize a sink, Plaintiff's legs must be able to be underneath the surface of the sink, but due to the improper configuration of the sink, there is no room underneath for Plaintiff's legs and feet.
- h. The actionable mechanism of the paper towel dispenser in the restroom is located outside the maximum prescribed vertical reach range of 48 inches above the finished floor as set forth in section 308.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to reach the actionable mechanism of the paper towel dispenser as individuals in wheelchairs are seated and have significantly less reach range than individuals who stand up.
- i. The toilet paper dispenser in the accessible toilet is not positioned in seven to nine inches in front of the toilet and therefore is in violation of section 604.7 of the 2010 ADAAG standards. This barrier to access would make it difficult for

Plaintiff to utilize the toilet due to the fact the toilet paper dispenser is at an improper distance from the toilet, given Plaintiff's disability, Plaintiff would not be able to get up and reach the toilet paper.

- j. The grab bars/handrails adjacent to the commode are missing and violate section 604.5 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely transfer from the wheelchair to the toilet and back to the wheelchair.
- k. The restroom lacks signage in compliance with sections 216.8 and 703 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.
- l. **There is a policy of storing items in a basket near the door to the restroom. Due to this policy, the door exiting the restroom lacks a clear minimum maneuvering clearance, due to the proximity of the door hardware within 18 inches of the adjacent basket, in violation of Section 404.2.4 of the 2010 ADAAG standards.** This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely exit the restroom due to the fact individuals in wheelchairs have their feet sticking out in front of them and when there is inadequate clearance near the door (less than 18 inches), their protruding feet block their ability to reach the door hardware to open the door.
- m. Defendants fail to adhere to a policy, practice, and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

23. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

24. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

25. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

26. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.

29. Defendants are in violation of the New York City Human Rights Law by denying the Plaintiff full and safe access to all of the benefits, accommodations and services of the Premises.
